(1) JP Morgan inadvertently paid the distribution amount in pounds in an amount equal to \$60,997.00 rather than the allowed distribution amount of \$35,655.93. QGCI's counsel is reviewing this matter. The Receiver anticipates receiving the overpayment back in short order.

(2) Pursuant to the letter issued to this Court dated April 25, 2014 [ECF Doc No. 430], the adjusted Allowed Claim Amount for Claim #4 (Lisa and Debra Mayer) is \$10,759,561.98. The Receiver received authorization on June 10, 2014 [ECF Doc No. 443] to remit an additional interim distribution to the Mayers in the sum of \$1,163,911.95 representing the difference between the Revised Interim Distribution Amount and the distribution calculated based on the adjusted Allowed Claim Amount. Also, the interim distribution amount on account of the Mayer claim includes the \$50,000.00 emergency payment authorized by the Court's order dated February 19, 2014 [ECF Doc. No. 369].
